Parishioners suggested a community speed watch. Councillors were not in agreement with this, as it puts the public in danger and at risk. It was suggested that a small group of Councillors and parishioners be set up to monitor the situation.

04.3	Councillor Sybil Ralphs suggested a sign by the bridge coming off the A53, with a weight restriction. It was suggested we need to go to press, as the road has no pavement which is a danger to children walking to school and also to the elderly.
